Re: Ranbar Technology, Inc.
Chemical Recovery Systems Site - Elyria, Ohio

Dear Ms. Shepherd-Johnson:

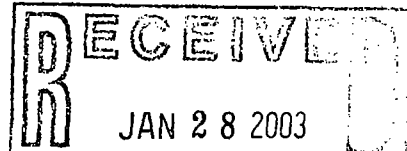

Pursuant to EPA's letter dated December 20, 2002, Ranbar Technology, Inc. ("Ranbar") is exercising the right to a waste quantity review. Ranbar was incorporated in the Commonwealth of Pennsylvania in 1984 and the CRS Site received material through 1980. As such, it is an impossibility for Ranbar to have contributed any material to the CRS Site.

Please provide me with any evidence to the contrary. If you need additional information for this waste quantity review, please do not hesitate to contact me.

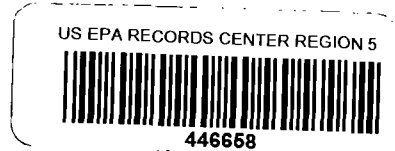

Very truly yours,

J. Russell McGregor, Jr.
